

The annual fees listed below cover field maintenance, insurance, practices, and professional coaches and referees during the regular season. The Academy/Select Program is an annual commitment unlike the recreation program which is seasonal. New players will need to purchase a new uniform, this is an additional cost. The uniform kit will be good until the end of the Spring 2025 season. Additionally, each player is responsible for their portion of the team’s tournament fees and individual travel, lodging and meal expenses. Payment Plans will begin upon signing and will automatically debit on the 1st of each month for consecutive months. The ECNL/ECNL RL program has an additional monthly “team fee” to cover the added cost of travel for coaches and specific event fees related to that program. The ECNL/ECNL RL Team Fee Schedule is generally completed shortly after the conclusion of the last tryout. The team fee is calculated on a team by team basis and takes into account the size of the roster and the obligations of that specific team. For more information, please speak with the projected coach. There is a 10% discount on training fees for families with 3 or more players in the competitive programs.
